### Fitness Waiver and Photo Release Form

#### Boxing/Yoga Photo Release Form

I hereby give permission to Jaco Boxing LLC and Soul Yoga Sanctuary LLC to use photographs and videos for the use of publications and promotional purposes (websites, flyers, brochures, etc).

#### Release of Claims and Treatments Authorization

I do hereby fully and forever release, discharge and hold harmless Jaco Boxing LLC and Soul Yoga Sanctuary LLC, including trainers and employees, from any and all liability for losses, costs and expenses that I may occur on account of injury or damages to myself and/or personal property resulting from exercise, or injury due to equipment malfunction or from my performance during these workouts. I intend for this release to operate as a waiver of my right to pursue such claims and hereby assume full responsibility for the risk of bodily injury or property damage while participating in boxing and/or yoga related workouts and other exercises under the supervision of Jaco Boxing LLC and Soul Yoga Sanctuary LLC. I understand that there will be a \$5 monthly gym fee and that cancellation of this suspends my membership. Cancellation must be made through email to [kellijaco@gmail.com](mailto:kellijaco@gmail.com).

I represent that I have been fully informed and cautioned concerning the nature of these workouts, including the possible risks. I represent that I currently have no physical or mental conditions that would impair my capability for full participation in boxing training and/or personal training offered by Jaco Boxing LLC, Soul Yoga Sanctuary LLC and the trainers and employees.

EXCEPT: (specify) \_\_\_\_\_

I acknowledge that I have signed this waiver and release form on my own free will and understand that this form is intended to be used as a defense in the event that I bring any claim, action or suit against Jaco Boxing LLC, Soul Yoga Sanctuary LLC and their trainers and employees, alleging its liability for injuries, losses, or damages sustained by me as a result of the matters set forth above.
